

Below are several Q and A's that should answer a lot of questions. Please distribute widely.

HAVE YOU SIGNED UP FOR THE NEW PROFESSIONAL FIREFIGHTER PLATES YET?

The **Missouri State Council of Fire Fighters' (MSCFF) MISSOURI PROFESSIONAL FIREFIGHTER Plates** will give members of our profession the opportunity to proudly display their profession while at the same time contributing to the MSCFF's Community Assistance and Action Fund. In almost every scenario, this will be a deductible tax expense as well (please see your tax professional). However, we need your assistance. We need you, your family, and friends to sign up for the plates.

To more effectively continue our advocacy in Jefferson City and beyond, we must have at least 200 vehicle owners to sign up for these plates so the State of Missouri can start producing "our plates" ASAP. There is (as with all vanity plates) a cost to obtain these plates, which is \$25.00. However, I am pleased to tell you that these funds will go directly to the MSCFF Community Service and Action fund to assist in our never-ending endeavor to make the State of Missouri a better and safer place to work and live.

These plates will give you the opportunity to proudly speak to your profession while at the same time helping fund some of our most critical endeavors. Please join me and your fellow Professional Public Safety Professionals across the state of Missouri by signing up for the **PROFESSIONAL FIREFIGHTER** plates by sending a check or money order made out to the

MSCFF CAA Fund (please make sure your contact information is included in the mailing)
